## THE BOOK

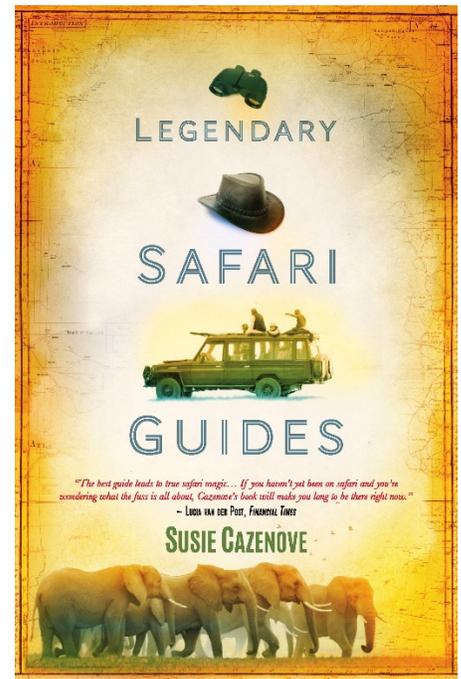

What makes for the ultimate safari experience? Your guide is the difference between an indifferent experience and a life changing experience.

*Legendary Safari Guides* is a new edition of Licence to Guide published in 2004. Twenty-four safari guides are profiled by experienced safari travel promoter, Susie Cazenove. She tells us their stories of adventure and dreams – of following their passion into the wild and of making their guests see Africa in a new light.

Read of the antics of the guides in the early days of Londolozi, of guests having to cling to trees in the face of charging rhinos, of safaris with Mary Leaky and legends of the Masai warriors. The tales tell of a wilderness under increasing threat and these guides' determination to share the privilege of a truly wild experience with their guests. The stories take the reader from South Africa to Botswana, Zimbabwe, Zambia, Tanzania, Kenya and Namibia in search of legendary safari guides.
